

## ITF RETURN TO INTERNATIONAL TENNIS PROTOCOLS

### DAILY SCREENING AND SELF-DECLARATIONS

*Note: this protocol is subject to change. Last amended – 1 March 2021.*

Precautions must be taken to reduce the risk of transmission of Covid-19 at ITF tournaments, including Davis Cup and Billie Jean King Cup (“Tournaments”). One element of this is to check whether participants have any of the main Covid-19 symptoms. All participants should have their temperature checked using an infra-red thermometer, and be asked the questions below on a daily basis prior to entering the Tournament venue.

THE TABLE BELOW MUST BE COMPLETED FOR ALL PARTICIPANTS DAILY

Any participant who has a measured temperature of 38°C or answers ‘yes’ to any of the questions must not be permitted on-site. The decision to deny access is final and cannot be appealed.**

Records of attendance on-site will be retained by the ITF, and will be shared with Tournament staff for monitoring access to the tournament site during the Tournament period only and otherwise as required by law. Records will be kept securely and retained only for as long as is necessary for the ITF to manage the risk of Covid-19 at ITF Tournaments and events. For more information about how and why the ITF collects, processes and stores your personal data in response to Covid-19, please see the ITF’s Covid-19 Privacy Notice, which is available on the ITF website at [www.itftennis.com](http://www.itftennis.com).
